Return form with payment to:
Morgan Co. Extension Service
 Sarah Fannin, Ag Agent
 P.O. Box 35
 West Liberty, KY 41472

Orders should arrive the last week of May.

**Plan on picking up plants at the Morgan County Extension Office
 or through arrangements made with your local Extension Office.**

The Morgan County Extension Office does NOT ship these plants once they arrive at our office.

Sweet Potato Slip Orders Now Being Accepted

The East KY Sweet Potato Growers Association and local Extension offices are currently accepting orders for sweet potato slips. The slips are picked up fresh in North Carolina and delivered to Morgan County. This will be the fourteenth year for the program.

These slips are noted for good quality, better disease resistance and higher yields. The larger group order also results in lower prices. Expected delivery of the slips is the last week of May to the Morgan County Extension Service. They cannot be shipped from the Morgan County office – please make arrangements for pickup.

Varieties being offered are Beauregard (90 day red), Orleans (90 day red, more uniform) White Bonita (replaces O'Henry 100 day white), Covington (120 days commercial red) and Murasaki (purple skin, white flesh) There are approximately 1,000 plants per box. Shipping is included with the pricing, but there is an additional \$5 annual membership fee.

All varieties except Murasaki are \$85 per box (approximately 1,000) slips. Murasaki costs \$90 per box.

Checks are to be made payable to the "East KY Sweet Potato Growers Association." Orders must be prepaid. The deadline is Friday, May 5th.

Contact the Morgan County Extension Service at (606) 743-3292 or sfannin@uky.edu for more information.
